2. The District hereby sets the full text of the measure to be placed on the ballot, in the voter information pamphlet to be distributed to voters for the election of Tuesday, June 5, 2018, as follows:

**SOUTHERN HUMBOLDT COMMUNITY HEALTHCARE DISTRICT PARCEL TAX FOR  
EMERGENCY ROOM CARE, ACUTE HOSPITAL CARE AND OTHER HEALTH SERVICES**

The Southern Humboldt Community Healthcare District will renew the special tax on each taxable parcel of land within the District at the current annual rate of \$125 on all qualified parcels within the District's boundaries, for a period of ten (10) years beginning July 1, 2018 and ending on June 30, 2028.

The term "qualified parcel" as used in this resolution shall be defined as every assessor's parcel for the applicable tax year, except those parcels which have a low value exemption as determined by the District.

The purpose of this parcel tax will be to ensure, all together, or as individual uses of the tax funds, continued local access to emergency room care, acute hospital care, community clinic, skilled nursing facility, laboratory services, physical therapy, CT, x-ray, mammography imaging services, visiting nurse, program and other health care services, for residents of the District and visitors to the area. The revenues raised by this special tax will only be used to defray operating expenses, capital improvement and facility-related expenditures and debt repayment to accomplish the foregoing purposes.

The amount of money to be raised annually by the parcel tax levy is estimated to be \$1.5 million dollars.

The special tax revenues shall be deposited into a separate account held by the Mendocino or Humboldt County Treasurer, as appropriate, in accordance with Government Code Section 50075.1, and shall be expended solely for the above-stated purposes and according to a plan developed annually by the District staff and approved and adopted by the District's Board of Directors.

The District will cause to be filed an annual report with its Board of Directors, which report shall include the amount of special tax revenues collected and expended, and which shall otherwise comply with the accountability measures established in Government Code Sections 50075.1 *et seq.*

3. The District hereby sets the abbreviated ballot form of the measure appearing in Paragraph 3 as follows:

Shall the Southern Humboldt Community Healthcare District renew its current \$125/year parcel tax for ten years without any rate increase or added cost to residents, providing approximately \$1.5 million annually to benefit the local community by maintaining access to emergency medical care, support hospital and medical services, and attract and retain qualified doctors, nurses, technicians and other healthcare professionals, with annual independent audits to assure proper use of funds?

4. The renewal shall take effect for ten (10) years on July 1, 2018 and shall be assessed against each taxable parcel of land within the District at the rate of \$125 per parcel. The term "qualified parcel" as means every assessor's parcel for the applicable tax year, except those parcels which have a low value exemption as determined by the District.

5. The tax shall be collected by the Humboldt or Mendocino County Tax Collectors, as appropriate, at the same time, in the same manner and subject to the same penalties as ad valorem property taxes collected by the Treasurer-Tax Collector. Unpaid taxes shall bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid. The collection of the parcel tax shall not decrease the funds available from other sources of the District in any period from the effective date hereof.

6. The District hereby notifies the Humboldt County and Mendocino County Boards of Supervisors and the respective County Election Offices that this Board chooses to hold such election on Tuesday, June 5, 2018, requests consolidation with any election that may be held on the same day, in the same territory or in territory that is in part the same, requests that they render all services otherwise required to be performed by the Secretary of the District for such election, and authorizes and directs the Boards of Supervisors to canvass the returns of the election and certify the results of the election to the District as required by law.

7. The District shall bear the cost of the election.

8. The Chair of this Board or designees are hereby authorized to prepare and file with the Registrars of Voters a ballot argument in favor of the tax measure, or act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument, each within the time established by the Registrars of Voters, which shall be considered the official ballot arguments of this Board as sponsor of the measure.

9. The Chair of the Board or designees are hereby authorized to execute any other document and to perform all acts necessary to place the tax measure on the ballot, including making alterations in the ballot language stated in Paragraphs 2 and 3 hereto, and to comply with requirements of law and election officials.

10. The District shall levy the tax upon approval of two-thirds of the votes cast by voters voting upon the measure.

11. The authority for ordering this election is contained in Section 4 of Article XIII A of the California Constitution and Government Code sections 53730.01 and 50075 et seq.

12. The Clerk of this District Board is ordered to deliver copies of the Resolution to the Registrars of Voters.
